

UNITED TOGETHER

LIVE UNITED

Finney County United Way fights for the health, education and financial stability of every person in Finney County. But we are more than fundraisers. We are the hand raisers. We raise our hands not only to lead the fight, but to reach out to people who need help. And hope.

We win when we **LIVE UNITED**. How? By forging unlikely partnerships with 22 non-profits. By finding new solutions to helping children enter school ready to learn. By mobilizing the best resources through community impact initiatives. And by inspiring individuals to join the fight against Finney County's most daunting social crises.

So, who are the hand raisers, the game changers? They're people who know that at the core of every human being is a desire to do good. People who recognize the power that comes from a shared purpose. People who understand we're stronger together than we are alone. **People like you.**

Community Impact Projects

We are making sure that children, like Quinn, are prepared for school success. In 2019, we introduced Dolly Parton's Imagination Library. This program mails an age-appropriate book

very month to every child from birth until their 5th birthday— at no cost to the family. Funding comes from the Kansas Health Foundation, Garden City Rotary Club, individuals and local businesses.

So, raise your hand if you're ready to be that game changer. To make Finney County a better place to live and work. Because United we fight, United we win. We have one life. To live better, we must LIVE UNITED.
